XI. In the absence of the use of Stamped Paper, the Honourable the Governor in Council is pleased to declare that fees, upon the scale laid down in Appendix A to these Rules, shall be levied upon all original suits filed in the Agent's Court for claims above Rs. 100, the same fees recurring upon all appeals made in conformity with the hereinafter-mentioned provisions. In the case of suits for claims under Rs. 100, no fees shall be leviable.

XII. *First.*—No suit will be admitted upon the file unless accompanied with a receipt for the fees duly paid into the hands of the Názír or other appointed Treasurer of the Court.

XVI. *First.*—In his procedure, and in the dispensation of civil justice from first to last, the Agent shall be guided generally, and except as provided

by these Rules, by the Rules laid down in the several Regulations and Acts defining the Law and Procedure which is at the time followed in the Honourable Company's Civil Courts.

Second.—But it is clearly to be understood that a strict adherence to the forms and provisions of the Law here alluded to is not binding on the Agent, but that he will exercise his discretion in all cases, subject to the control and supervision of the Sadar Diwáni Adálat.

Third.—The Agent and his Assistants are to keep a written record, in the language of the country, of their proceedings, and of the reasons of their decisions, and a succinct record of the latter in English, as provided by Act XII, Section 1, of 1843.

XVII. *First.*—With respect to the decree and its enforcement, the Right Honourable the Governor in Council is pleased to direct that in the territory subject to the Agent, attachments and sales of land, or of any interest in land, or of any specific or moveable property, or the performance of any particular act, or the arrest and imprisonment of the defendant in satisfaction of the decree or other process of the Agent's Court, or of any authority subordinate thereto, shall be made, ordered and carried into effect by the Agent's Court, and under its direction.

Second.—Provided, that it shall not be competent to the Agent or his Assistants, in pursuance of any decree on account of a civil action, to order the imprisonment of any of the seven Mewás Chieftains whose territories are comprised in the districts exempted by Act XI of 1846 from the operation of the General Regulations.

Third.—Provided, that in no case shall land or its product be sold in execution of a decree of the Agent's Court, previous to due arrangement for the full satisfaction of the present and prospective demands of Government.

XVIII. *First.*—Provided also, that if the emoluments of service "Vatan," or of District or Village hereditary offices, or of lands or emoluments for which State service is rendered, or which are held on condition of defraying the charges of an efficient Police establishment, be made the subject of an award by a decree or any other process of the Agent's Court, which would have the effect of alienating the emoluments applicable to the remuneration of such service "Vatan" or hereditary office, or to Police charges, the Agent shall award or cause to be awarded only such surplus amount thereof, and only during the incumbency of the party to the award, as shall leave the emoluments so liable sufficient for the proper discharge of the duties of the Vatan.

Second.—And provided, that no decree passed in the Agent's Court shall in any manner compel the servitude of any person in satisfaction of a pecuniary obligation, any written bond or agreement relative thereto notwithstanding.

XIX. *First.*—It shall be competent to the Agent, or to any of his Assistants acting under his immediate control, to refer the parties in any original suit brought before them respectively to an Arbitrator, or to a Panchâyat of their own voluntary nomination; and if the parties agree to the same in writing, it is to be clearly understood that the decision of the Arbitrator or of the Panchâyat is to be final, and the case is to be struck off the file as disposed of accordingly.

Second.—And the Agent and the Assistant may, with the view to avoid unnecessary delay, after the parties have given their written assent to an Arbitration or Panchâyat, inclusive of the condition aforesaid, appoint respectively a reasonable period within which the award shall be delivered in Court; and if the award shall not be delivered within the specified time, the Arbitration shall be considered cancelled, and the parties to be in the same relation to each other as if no such reference to Arbitration had existed.

XX. *First.*—The process of summoning witnesses shall, at the requisition of the Arbitrator or of the Panchâyat, be carried into effect by the orders of the Court; and upon the final award being filed, the expenses of summoning the witnesses shall be recovered from the losing party. No other fees will be levied by the Court upon any papers or exhibits in a suit referred to Arbitration; but the petition for the enforcement of the decree must be accompanied by payment of the established fee.

XXI. Nothing in these Rules shall be held to prevent the Agent or the Assistant Agents from availing themselves of the assistance of respectable natives in the decision of any suit coming before them. In such cases the Native Assessors will record their judgments severally in writing if they differ, otherwise will sign the common award. But the Agent or Assistant Agent, as the case may be, is in no way bound to decide according to such award.

XXII. The Agent may, for obvious reasons, as an error or omission being apparent on the face of the proceedings, or the discovery of new matter or evidence not previously within the knowledge or compass of the party, revise his decree, or cause one passed by any of the Assistants to be revised; and such revision may also be made at the instance of either plaintiff or defendant, at his discretion.

XXIII. A decree issued in the Agent's Court may be enforced in any Zilla or Political jurisdiction subject to the Bombay Presidency, under the general Rules thereof, and *vice versâ*. In respect to executing legal process, issued in his Court against persons residing within the limits of Her Majesty's Supreme Court in Bombay, the Agent will be guided by the provisions of Act XXIII of 1840 and Act XXXIII of 1852, and any other enactments which may be or become applicable to such cases.

XXIV. *First.*—Every suit originally tried by the Assistants shall be open to an appeal to the Agent, provided such appeal be made within (30) thirty days from the date of passing the decree; and the decree of the Agent shall in every such case be final.

Second.—Every suit originally tried by the Agent shall be open to an appeal to the Sadar Diwáni Adálat, if the appeal be made within the space of (90) ninety days from the date of passing the decree, and the decree of the Sadar Diwáni Adálat shall be final.

Third.—It shall, nevertheless, be competent to the Agent, after the expiration of the prescribed period, if the appeal is to himself, to grant the same upon sufficient cause being shown, and if it is to the Sadar Adálat, to admit it temporarily, subject to the decision of that Court; and to enable the Sadar Diwáni Adálat to decide upon the admission or rejection of the reasons set forth, the Agent shall for that purpose cause inquiry to be made and endorse the same, together with his opinion upon the petition, and forward the same to the superior Court.

Fourth.—The appeal to the Sadar Diwáni Adálat may be made either to the Agent or to that Court direct. In the one case the Agent shall cause the established fees to be levied (excepting in the case of parties who, having been allowed to sue in *formâ pauperis* in the original suit, may be permitted also to appeal in the same matter) from the party appealing, and shall forward the petition, accompanied by a receipt, to the Appellate Court. If the petition is made direct to the Superior Court, the fees shall be levied upon its transmission to the Agent's Court; and so with regard to execution of all other process directed by the Appellate Court.

XXV. The provisions of Regulation XXVI of 1827 are declared to be applicable to all Kázis within the same district.

XLVII. And with the view of seeing that the foregoing rules are properly attended to, it shall be the duty of the Judicial Commissioner (when deputed by special orders of Government) for the Deccan and Khándesh to visit these excepted districts, on his tour of circuit, and to notice the result of his visit in his report.
